

2011 TAX INFORMATION

The following information is intended to assist unitholders of Chemtrade Logistics Income Fund (the "Fund") in the preparation of their 2011 income tax returns. All unitholders should receive a T3 Supplementary tax slip prior to March 31, 2012.

The following table summarizes the per unit cash distributions of the Fund for 2011 and the treatment of the distributions for Income Tax purposes.

	Other Income		Dividends other than eligible dividends		Foreign Non-Business Income		Total	
2011	\$0.13596	11.33%	\$0.61320	51.10%	\$0.45084	37.57%	\$1.200	100.00%

For individuals who held units for only part of the year, the allocation of distributions received can be determined by multiplying the distributions received by the [2011 Monthly Tax Allocations](#).

Generally, the income will not be subject to tax where units are held in a trust governed by a RRSP, a RRIF, a DPSP, a RDSP, a TFSA or RESP in which case no income should be reported by the beneficiary of such trust.

Non-Canadian unitholders should consult their tax advisors to determine how to report their share of income from the Fund for the year.

Adjusted Cost Base (ACB)

Canadian Unitholders are required to reduce the ACB of their units by any distributions received in the form of a return of capital. The ACB is used in calculating capital gains or losses on the disposition of the units. No portion of the 2011 distribution is a return of capital.
